BLOOM, United States Magistrate Judge:

In her complaint, plaintiff provided the Court with a service address for defendant Valerie Scroggins at a post office box. By letter dated March 8, 2010, plaintiff provides an alternate residential address where this defendant can be served. However, plaintiff does not include a zip code, and the "ZIP Code Lookup" service on the United States Postal Service's website does not recognize the address plaintiff provided. The United States Marshals Service cannot serve defendant without a proper address. Plaintiff shall ascertain the correct service address for this defendant and promptly inform the Court.¹

SO ORDERED.
